Flannel Pin-up Board

Regular Flannel Pin-up board:

Flannel Pin-up Board (Notice Board) board serves as a very convenient pin-up surface and has a very long life. This board can be used to pin-up graphs, photographs, brochures, price list, charts etc.,

Choice of fabric: Dark Red, Navy Blue and Dark Green. The boards are available in a variety of finishes and the client can order for boards with White Cedar wood or Aluminium frames.

Premium Loop Fabric Info-panels:

Info-panels are a clever display system with a comprehensive range of free-standing and wall-mounted boards. The colored Info-fabric-panels are designed for effective presentation of words, pictures, messages and products. They are suitable for almost any setting. The self adhesive Velcro tape makes it easy to put up display materials.
